Course Overview

Alhamdulillah, INK Foundation is pleased to offer the part-time Alimiyyah program. Our goal is to strengthen our connection with Allah ﷻ, Rasulullah ﷺ, and our Deen. by preserving, implementing, and disseminating factual, foundational Islamic knowledge and beliefs to the current and future generations of Muslims through accurate, classical and contemporary, understanding of Deen.

Our aspiration is to prepare Muslims, young and old, to be capable of adhering firmly to their Deen in practices and beliefs. We want ourselves and the future generations to be equipped with the necessary academic resources, textually and intellectually, to engage in academic discussion and resolve Islamic legal and social issues and challenges unique to our context.
